13 a public health issue; and

14
15 WHEREAS, employees at eateries who serve food may also be
16 asked to perform tasks such as cleaning tables or facilities, or
17 handling financial transactions; and

18
19 WHEREAS, concerned citizens have observed these employees
20 perform cleaning duties, serve food, and perform financial

22 between such tasks; and

23
24 WHEREAS, a failure to wear gloves or wash one's hands
25 between serving food and performing financial transactions, or

27 cross-contaminated; now, therefore,
